## to Your Free Digital Notebook!

First off, a big thank you for subscribing to my mailing list! I'm thrilled to have you here and even more excited to share this free digital notebook with you. I've put a lot of love and care into creating this tool, and I truly hope it helps you stay organized, focused, and inspired every day.

### A Little About Me

I'm Katya—an illustrator, web and graphic designer, and a lover of all things planning. For the past 3+ years, I've been selling on Etsy, helping people bring a bit more creativity and structure into their lives. Crafting digital tools like this notebook is my passion, and I'm always looking for new ways to help you make the most out of your time and ideas.

### This Notebook is 100% Free | For Personal Use Only!

That's right, this notebook is completely free for you to use personally. It's my way of saying thank you for your support and trust in my work. However, please remember that it's not for commercial use. Let's keep it personal and meaningful!

### What's Next?

This notebook is a complete product on its own, but I've got even more exciting things in the works! A full, enhanced version of this notebook are coming soon. If you find this one useful, you're going to love what's next. I'll be releasing the full version in the coming days, and as a subscriber, you'll be the first to know. Plus, you'll get a special discount and extra perks included!

Since this offer will be limited in time and quantity, make sure to keep an eye on your inbox—you won't want to miss out on the best deal!

### Stay Connected!

Once again, thank you for being a part of this journey with me. If you're interested in diving deeper into the art of note-taking, I've written an article that might spark some ideas and strategies for you. [Read it here!](#)

Happy planning, and I hope this notebook becomes a helpful companion in your daily life.

Warm regards,

Katya
